

Phase IV Public Art Benches in The Woodlands Arts District

Underwriters: Sparky & Debbie Gullo

Site Location #2

What would you like your artist to know about what went into your decision of Underwriting an Art Bench?

Our decision to underwrite this bench is a combination of wanting to celebrate our son's life and of providing a meaningful piece of art to The Woodlands community.

What went into your decision in selecting the specific site location for the bench you are Underwriting?

When we were looking for our site location, we were moved by the location of this lovely bench. It just seemed like the perfect place.

What feelings do you want this bench to convey?

The bench should convey love above everything else, as well as peace and comfort. We want to see this become a spot that people will want to return to again and again.
